Dear Tom and Esther,

I'd slipped away before I'd realized it. This is just a brief line to thank you for the very enjoyable weekend, not forgetting the trip over the lake. I do hope you fit in the visit ~~to Europe~~ when you come to Cambridge you must stay with me - just drop a postcard. Odile is very anxious to know what you look like.

Remember me to Woods Hole - am the Little Hen? Yours ever,

Frannie.
